

Emmanuel Church Haverfordwest November 12th 2017

Open Doors

60 years of serving persecuted Christians

We had an amazing evening with Clyde and Jan from Open Doors as they shared their experiences and stories of how God is working in the lives of people and places they have visited. I was left with an overwhelming sense of the power of God's word and the working of His Spirit. We heard of so many people converted simply through reading the scriptures...we heard of Bibles reaching countries where there are none.... we heard of God's miraculous interventions....and more.

As I was pondering these things and the power of God's Word I read this -

“Call to me and I will answer you and tell you great and unsearchable things you do not know.” Jeremiah 33:3

Don't let's forget how God longs to speak to us through his Word!
