

Emmanuel Church Haverfordwest July 23rd 2017

Welcome to you all who are worshipping with us today, especially if you are a visitor. Please share lunch with us following the service.

During the sermon our children's groups, Sparklers and Shooting Stars (children 4 to 10 years old) will be discovering more from the Bible with the help of a DVD today - just follow the crowd across to the flat. There is a crèche room available just off the entrance foyer for those with restless youngsters.

School is out which means Beach Mission is nearly here and Saundersfoot is the place to be! Yesterday, early in the morning we enjoyed a wonderful breakfast in Saundersfoot- thank you Jane Walker! What a way to start Beach Mission...prayer and breakfast by the sea.

This Week at Emmanuel.....

We have our **prayer meeting on Wednesday at 7.30pm**

We send off the first mission team on **Friday with a Celebration and Commissioning Service at 7.30pm.**

Please sign the list in the entrance foyer if you would like to join the team for a BBQ meal at 6pm – and thank you to all those who are helping with the catering for these.

Sunday 30th July at 11am is an all age worship service with the Beach Team. As usual there is prayer in the flat at 10.30am

An army marches on its stomach.....so any gifts of cakes or biscuits for the teams would be very welcome! It's a witness too if they can offer families who come up to the centre (the school) tasty homemade goodies.

BBQ at Emmanuel – Wednesday 9th August 7pm

Team 2 will be making the journey up from Saundersfoot to join us for a BBQ for our community so they can get e taste of Beach Misson. We have a great time together and it is a great opportunity to invite friends or family.

A day out with Connect.....

Last Saturday we took the Connect kids for a 'summer special' to Bosherton lily ponds and Broadhaven south. Harry hired a minibus so we could all go together. We may not have seen much sun but it was warm and dry and perfect for all our activities.. a treasure hunt round the lily ponds in teams, taking 'selfies' with various objects in nature (bonus marks for the one otter that lives there although sadly it was elusive!), picnic lunch on the beach, relay games, sandcastle competition, rounders and games in the sea, finished off with a BBQ at Robyn's, more games, gymnastics, jigsaws and prizes, and a devotion by Harry on building our lives on Jesus, our rock. We thank God for answered prayer in every area of the day and for the 12 lovely young people that we spent the day with!
