

Emmanuel Church ..
Haverfordwest
5th February 2012

Welcome to Emmanuel Church.

In St George's church, Baghdad, the morning service begins with the declaration

"God is with us and His Spirit is here."

What better way to start our worship than by joining with our brothers and sisters in Baghdad and rejoicing in the Truth that God's Kingdom is world-wide and He is with us in Merlins Bridge as we praise God and worship Jesus Christ.

There are crèche facilities for little ones off the foyer and Sunday School during the sermon for children up to 7yrs old.

Sylvia has a bookstall so have a browse while we share lunch together after the service.

The Beach Mission Weekend 17-19th February 2012

We have already started to shop for the weekend's food. Anyone who wants to come and eat at church is welcome as long as we know you are coming!! Meal times are great for fellowship, fun and catching up on chat-time, so please come ... but we need you to put your name on the list in the foyer so we know how many potatoes to peel !!!

Cherrie's ramblings..... **I have been thinking about Moses this week..**

When Moses asked God to show him His Glory, God agreed to his request.

However, God said "I will make all my goodness pass before you and will proclaim before you my name, THE LORD, but you cannot see my face, for man shall not see Me and live.. Behold, there is a place by Me where you shall stand on the rock, and while my Glory passes by I will put you in a cleft of the rock, and I will cover you with my hand until I have passed by. Then I will take away my hand, and you shall see my back, but My face shall not be seen" Exodus 3v23

Someone's back can be a very comforting sight ! as I well know from cycling hundreds of miles on the back of the tandem... last Tuesday, John and I had a lovely winter cycle to Stackpole Quay (40 miles round trip - not bad for 2 old 'uns!!)

and as we splashed and slid through water and ice John laughed with the exhilaration of speeding down Freshwater East hill while his back remained resolute and rhythmical pedalling and puffing up the big hill on the other side.. Meanwhile, I just watched his back and tried to keep pedalling!! It was a super expedition on a beautiful day, and I enjoyed thinking about Moses, wondering if he felt as comforted by the sight of God's back as I did with John's !!
